Starting for the 2021-2022 academic year, Sparks of Messiah classes will follow learning tracks, which will guide students through a comprehensive curriculum from PreK to 12th Grade. The first learning track to be implemented is the Discipleship to Yeshua Learning Track.

The multi-grade classes will work through the topics in a three year rotation as outlined above. We know students will come in with a variety of background knowledge and we will ensure there is an appropriate review of previous topics so all students can succeed in all of our classes.

As interest grows in taking more than one class at a time, we will add more learning tracks, including the Torah Learning Track, Hebrew Learning Track, Jewish Practice Learning Track and More.

Come join us as we provide a quality Torah education that will nurture and grow the spark of discipleship in every young follower of Yeshua.
